### **Security deposit** - Any refund received will be determined by the school's refund policy

*Students who were enrolled on or before April 2021 paid a refundable security deposit instead of a non-refundable acceptance fee. The previous security deposit is refunded from your final term before you leave the school. Refund terms: one full calendar terms notice of leaving is required in writing for any student leaving the school. To notify the school please complete the 'withdrawal notification form' available on the school website policy page. Where less than one full term's notice is provided, the deposit will not be refunded. For example:*

- Example 1: You tell us in term 2 you are leaving at the end of term 3, when you pay term 3 school fees we deduct the 10,000 deposit from term 3 fees.
- Example 2: You tell us in term 2 you are leaving at the end of term 2 and so already part way through a term and not a full terms notice. Therefore, the deposit is forfeited due to insufficient notice and not refunded.
