Overdue Payments

All fees must be paid in full by the due date. If fees are not paid in full by the due date a reminder is sent to parents. If fees are still not paid within the following five days the student will leave the school. The deposit is forfeited and the class space given to another child on the waiting list. Reports and certificates will be withheld while fees remain unpaid.

Student Insurance

The school does not provide private accident insurance for each student. Parents are required to have their own accident insurance for their child or children in case of emergencies whilst at school.

Withdrawals

One full calendar term notice of leaving is required in writing for any student leaving the school. To notify the school please complete the 'withdrawal notification form' available on the school website policy page.

Temporary Withdrawal

If a student is withdrawn from school and school fees are not received for any period of time that a student is absent from school, then the full Acceptance Fee will be payable for entry back into school. If a student is withdrawn from school temporarily, then the student will forfeit their place in the school unless the continued payment of the full fees during their absence is made. No Acceptance Fee will be payable if continuous payment of fees is made during an absence.

Refunds

No refund or discount is offered for sickness, absence or term-time holidays and all terms must be paid for in full.

If the government requires schools to move to online learning for a period of time and close our on-site campus due to Covid or other unexpected reasons there would be no discount or refund for the online learning.

Enrollment on or before April 2021

Students who were enrolled on or before April 2021 paid a refundable security deposit instead of a non-refundable acceptance fee. The previous security deposit is refunded from your final term before you leave the school.

Refund terms: one full calendar terms notice of leaving is required in writing for any student leaving the school. To notify the school please complete the 'withdrawal notification form' available on the school website policy page. Where less than one full term's notice is provided, the deposit will not be refunded. For example:

- Example 1: You tell us in term 2 you are leaving at the end of term 3, when you pay term 3 school fees we deduct the 10,000 deposit from term 3 fees.
- Example 2: You tell us in term 2 you are leaving at the end of term 2 and so already part way through a term and not a full terms notice. Therefore, the deposit is forfeited due to insufficient notice and not refunded.
